

December 2021

The Cindy Dennis Ministries' Board of Directors and Leadership Team are so grateful for the financial and prayer support that you provided us throughout 2021.

Your support has allowed us to provide tools to help address and resolve problems in areas that many struggle with in life. We have been able to provide creative events and programs to bring encouragement for individuals from different backgrounds to realize and pursue their God given purpose.

We have listed a few of our activities below. For more details, please follow us on the Cindy Dennis Ministries Facebook Page and CindyDennisMinistries Instagram. Check out our webpage, www.cindydennis.org, for the annual report, watch programs, see photos, plus video highlights captured at our events.

Some of our 2021 highlights included:

- Weekly teaching, quarterly mini-series, and special programming that helped equip, empower, and develop opportunities for individuals to thrive.
- The annual On Purpose Mastermind Event offered a platform for development of personal and leadership skills in the workplace.
- The annual virtual prayer walk allowed individuals from around the world to come together to connect to God and serve their community.
- Our special monthly programming in May, June, October, and December provided preeminent speakers in the areas of finance, business, personal, and spiritual development an opportunity to share their wisdom and expertise on a wide range of personal and professional development topics. Their insights helped individuals find clarity on their goals and what they needed to achieve and reach new levels of success!
- As a part of our Outreach, Evangelism and Mission focus, CDM partnered with the A-21 project, Kimberly Kindred Ministries; Rising Hope Mission Church in Alexandria, Virginia; Harambee International Development, Inc. in Uganda; Hardemon Dynasty, Inc. in Engleside, Virginia; KTT International Ministries, Inc.; Patricia Bailey Ministries; and Gerald Mayhan Ministries.

Your kindness in praying, viewing virtually, attending our event, and giving is greatly appreciated more than you will ever know. We truly are grateful for everything you do for this ministry and hope that we can count on your continued support in 2022.

Thank you again for your support.
